Frosty the Snowman, was a jolly, happy soul

With a corncob pipe and a button nose

And two eyes made out of coal.

Frosty the Snowman, is a fairy tale they say

He was made of snow but the children know

How he came to life one day.

    F   Em   Dm   G7   C
There must have been some magic in that old silk hat they found
    G
For when they placed it on his head
    Am   D7   G   G7
He began to dance around. Oh!

C   C7   F   C
Frosty the Snowman was alive as he could be

Just the same as you and me

C            C7                   F              C
Frosty the Snowman knew the sun was hot that day
        F                        C
So he said "Let's run, and we'll have some fun

Now before I melt away."
C            C7                   F                C
Down to the village, with a broomstick in his hand
          F                   C          Am
Running here and there all around the square
          F        G7    C
Saying "Catch me if you can."

     F                    Em                  Dm   G7    C

          G
And he only paused a moment
          Am          D7   G     G7
When he heard him holler stop! For...

C            C7                   F            C
Frosty the Snowman had to hurry on his way
          F                      C
But he waved goodbye saying don't you cry,
          F      G7         C      G7
"I'll be back again some day!"
