

AM I BLUE? (Akst & Clarke, 1929) (in key of F)

Am I [F] blue, am I [C7] blue?

Ain't these [F] tears [D7] in my [G7] eyes [C7] telling [F] you?

Am I [F] blue? You'd be [C7] too

If each [F] plan [D7] with your [G7] man [C7] done fell [F] through

Was a [Am] time, I was his [E7] only one

But now, [E7] I'm the sad and [Am] lonely one (oh [C7] darlin'!)

Was I [F] gay, till to-[C7]-day?

Now he's [F] gone and we're [G7] through,

[C7] am I [F] blue?

Was a [Am] time, I was his [E7] only one

But now, [E7] I'm the sad and [Am] lonely one (oh [C7] darlin'!)

Was I [F] gay, till to-[C7]-day?

Now he's [F] gone and we're [G7] through,

[C7] am I [D7] blue?

Now he's [G7] gone and we're [C7] through,

am I [F] blue? [C7/F]
