*Suggested strum: Modified swing, each chord 1 measure = d-Du-d-D*

Intro: 2 measures of C

C F      G7    G7 F                      G7              C    C  
I fall to pieces,      Each time I see you a-gain  
C F      G7    G7 F                      G7              C    C  
I fall To pieces,      How can I be just your friend  
            C7              C7              F              F  
You want me to act like we've never kissed  
                            G7    G7                      C              C7  
You want me to for-get,      pretend we've never met  
            F              G7              C              C7  
And I've tried and I've tried But I haven't yet  
            F              G7              C              C  
You walk by and I fall to pieces

C F      G7    G7 F                      G7              C    C  
I fall to pieces,      Each time some-one speaks your name  
C F      G7    G7 F                      G7              C    C  
I fall to pieces,      Time only adds to the flame  
            C7              C7              F              F  
You tell me to find someone else to love  
                            G7              G7                      C              C7  
Someone who'll love me too      The way you used to do  
            F              G7              C              C7  
But each time I go out with someone new  
            F              G7              C              C7  
You walk by and I fall to pieces  
            F              G7              C              C\* G7\* C\*  
You walk by and I fall to pieces
