

Can't You Hear Me Callin' (Bill Monroe & Mac Wiseman, 1949)

Lead singer only on verses. All sing on Chorus (underlined)

Intro: G C D G ("darling....I worry so since you've been gone")

The days are long and the nights are lonely Since you left me all a-lone

I worry so my little darling I worry so-o-o since you've been gone

Sweetheart of mine can't you hear me calling A million times I love you Bess

Mistreated you Lord and I'm sorry Come back to me-e-e is my request

I remember dear the night we parted A big mistake has caused it all
If you'll return sunshine will follow To stay a-way-ay-ay would be my fall

Sweetheart of mine can't you hear me calling A million times I love you Bess

Mistreated you Lord and I'm sorry Come back to me-e-e is my request

INSTRUMENTAL BREAK OVER CHORUS CHORDS

The days are dark my little darling Oh how I need your sweet embrace
When I woke up the sun was shining When I looked u-u-up I saw your face

Sweetheart of mine can't you hear me calling A million times I love you Bess

Mistreated you Lord and I'm sorry Come back to me-e-e is my request

Come back to me-e-e is my request
