

WAYFARING STRANGER (traditional, 19th century)

Intro chords: Last two lines of Verse 1

I'm just a [Em] poor wayfaring stranger  
Traveling [Am] through this world be- [Em] low  
There is no [Em] sickness, toil or danger  
In this bright [Am] land to which I [Em] go [Em]\*

I'm going [C] there to see my [G] father  
He said he'd [C] meet me when I [B7] come [B7]\*  
I'll just be [Em] going over Jordan  
I'll just be [Am] going over [Em] home [Em]\*

I know dark [Em] clouds gonna gather 'round me  
I know my [Am] way will be rough and [Em] steep [Em]  
But beautiful [Em] fields lie before me  
Where God's re- [Am] deemed their vigils [Em] keep [Em]\*

I'm going [C] there to see my [G] mother  
She said she'd [C] meet me when I [B7] come [B7]\*  
I'll just be [Em] going over Jordan  
I'll just be [Am] going over [Em] home

I'll just be [Em] going over Jordan  
I'll just be [Am] going over [Em] home [Em]
