

# San Tropez Ukulele by Pink Floyd

## CHORDS

[INTRO]

**D7**

[V1]

**Gmaj7**

As I reach for a peach

**Gm6**

Slide a line down behind a sofa in San Tropez

**Gmaj7**

Breaking a stick with a brick on the sand

**Gm6**

Riding a wave in the wake of an old sedan

**G7**

Sleeping alone in the drone of the darkness

**A7**

Scratched by the sand that fell from my love

**C7**

Deep in my dreams and I still hear her calling

**D**

If you're alone, I'll come o-on home

[V2]

**Gmaj7**

Backward and homebound, the pigeon, the dove

**Gm6**

Gone with the wind and the rain on an airplane

## **Gmaj7**

Born in a home with no silver spoon

## **Gm6**

I'm drinking champagne like a good tycoon

## **G7**

Sooner than wait for a break in the weather

## **A7**

I'll gather my far flung thoughts together

## **C7**

Speeding away on a wind to a new day

## **D**

If you're alone, I'll come o-on home

[Solo over verse chords] **Gmaj7 Gm6 Gmaj7 Gm6 G7 A7 C7 D**

[V3]

## **Gmaj7**

And I'll pause for a while by a country stile

## **Gm6**

And listen to the things they say

## **Gmaj7**

Digging for gold in a hole in my hand

## **Gm6**

Open the book, take a look at the way things stand

## **G7**

And you're leading me down to the place by the sea

## **A7**

I hear you soft voice calling to me

## **C7**

Making a date for later by phone

## **D**

And if you're alone, I'll come home

[Solo over verse chords, end with **Gmaj7\***]
