**G** (2) **C** **G**  
 Grandpa gave a wheat penny and I put it in my pocket  
**G** (2) **D** (2)  
 I had big plans in my back yard to build me a space rocket  
**G** (2) **C** **G**  
 I talked to my brother on a fake CB that I made from a tic-tac box  
**G** (2) **D** **G**  
 I packed my snowballs nice and tight but in the middle I put rocks

**Chorus:**  
**C** (3) **G**  
 Don't trade in your tic-tac box for a ball on the end of a chain  
**G** (3) **D** (2)  
 And don't go spending Grandpa's pennies buying into the game  
**C** (2) **G** (2)  
 You gotta keep your heart young  
**D** (2) **Em** (2)  
 Don't go growin old before your time has come  
**C** (2) **G** (2)  
 You can't take back what you have done  
**D** (2) **G** (2)  
 You've gotta keep your heart young

**G** (2) **C** **G**  
 Dad took the wheels off of my bike and he pushed me down the hill  
**G** (2) **D** (2)  
 But speed got the best of me and I took my first spill  
**G** (2) **C** **G**  
 That was back when alcohol was only used on cuts  
**G** (2) **D** **G**  
 It stung like hell so I turned my leg and momma said it'd give me guts

### Chorus

**G** (2) **C** **G**  
 So take a picture of the one you love and put it in a locket  
**G** (2) **D** (2)  
 Go dig up your time capsule and the blueprints for your rocket
