

Wild Honey (U2)

G
In the days, when we were swinging from the trees
C G
I was a monkey, stealing honey from a swarm of bees
G
I could taste, I could taste you even then
C G G
And I would chase you down the wind

Em C G D
You could go there if you please, wild honey
Em C G D D
And if you go there, go with me, wild honey

G
Did I know you? Did I know you even then?
C G
Before the clocks kept time, before the world was made
G C
From the cruel sun, you were a shelter.....
G G
You were my shelter and my shade

Em C G D
If you go there with me, wild honey
Em C G D
You can do just what you please, wild honey
Em C G D
Yeah, just blowing in the breeze, wild honey
Em C G D D
Wild....wild....wi-i-i-ld

G
I'm still standing, still standing where you left me
C G
Are you still growing wild, with everything tame around you?
G
I send you flowers, cut flowers for your hall
C G G
I know your garden's full, but is there sweetness at all?

Em C G D
If you go there, go with me, wild honey
Em C G D
Won't you take me, take me please, wild honey
Em C G D
Yeah, just swinging through the trees, wild honey
Em C G D G*
Wild....wild....wi-i-i-i-i-ld
