

# Way Downtown chords by Doc Watson

## CHORDS

**F** **C**  
Way downtown just fooling around

**G7** **C**  
They took me to the jail

**F** **C**  
Oh me and it's oh my

**G7** **C**  
No one to go my bail

**F** **C**  
It was late last night when Willie came home

**G7** **C**  
I heard him a-rapping on the door

**F** **C**  
He's a slipping and a sliding with them new shoes on

**G7** **C**  
Momma said Willie don't you rap no more

**F** **C**  
Way downtown just fooling around

**G7** **C**  
They took me to the jail

**F** **C**  
Oh me and it's oh my

**G7** **C**  
No one to go my bail

**F** **C**  
I wish I was over at my sweet Sally's house

**G7** **C**  
Sitting in that big armed chair

**F** **C**  
One arm around this old guitar

**G7** **C**  
And the other one around my dear

**F** **C**  
Way downtown just fooling around

**G7** **C**  
They took me to the jail

**F** **C**  
Oh me and it's oh my

**G7** **C**  
No one to go my bail

**F** **C**  
Now it's one old shirt is bout all that I got

**G7** **C**  
And a dollar is all that I crave

**F** **C**  
I brought nothing with me into this old world

**G7** **C**  
Ain't gonna take nothing to my grave

**F** **C**  
Way downtown just fooling around

**G7** **C**  
They took me to the jail

**F** **C**  
Oh me and it's oh my

**G7** **C**  
No one to go my bail
