Thanks Don Ogerman !! intro 3rd + 4th Line

From this [A] valley they [E7] say you are [A] going,
We will miss your bright eyes and sweet [E7] smile.
For they [A] say you are taking the sun[D]shine,
That has [E7] brightened our pathways a[A]while.

Come and [A] sit by my [E7] side, if you [A] love me,
Do not hasten to bid me [E7] adieu,
Just re[A]member the Red River [D] Valley,
And the [E7] cowboy who loved you so [A] true.

I've been [A] thinking a [E7] long time, my [A] darling,
Of the sweet words you never would [E7] say.
Now, a[A]las, must my fond hopes all [D] vanish?
For they [E7] say you are going a[A]way.

Come and [A] sit by my [E7] side, if you [A] love me,
