

# Ill Cry Instead Chords by The Beatles

G C G C G C G C

          G      C          G      C      G      C      G      C  
I've got every reason on earth to be mad,  
          G      C          G      C      D  
cause I just lost the only girl I had  
          C                          C7  
If I could get my way, I'd get myself locked up today,  
          G                  D      G      C      G      C  
but I can't, so I'll cry instead.

          G          C                  G      C          G      C      G      C  
I got a chip on my shoulder that's bigger than my feet,  
G          C          G      C      D  
I can't talk to people that I meet  
          C                          C7  
If I could see you now, I'd try to make  
                          G                  D      G      C      G      C  
you sad somehow, but I can't, so I'll cry instead.

---

**Bm**

Don't wanna cry when there's people there,  
          A  
I get shy when they start to stare;  
          D                          E7                  A7          D7  
I'm gonna hide myself away, but I'll come back again some day

●          G      C      G      C          G      C      G      C  
And when I do you better hide all the girls,  
          G          C          G          C          D  
'cause I'm gonna break their hearts all round the world  
          C                          C7  
Yes I'm gonna break 'em in two, and show you what your lovin' man can do  
          G      D      G      C      G      C  
But till then I'll cry instead          [ back to "don't wanna cry..." ]

REPEAT FROM BRIDGE, END LAST LINE WITH: G C G C G C G\*C\*G\*
