[Verse 1]

G D  
In the early morning rain  
C G  
With a dollar in my hand

With an aching in my heart  
C G  
And my pockets full of sand  
Am  
I'm a long way from home  
C G  
and I miss my loved one so  
D  
In the early morning rain  
C G  
With no place to go

[Verse 2]

G D  
Out on the runway number nine  
C G  
Big 707 set to go  
Am  
And I'm stuck here in the grass  
C G  
With a pain that ever grows  
Am  
Now the liquor tasted good  
C G  
And the women all were fast  
D  
Well there she goes my friend  
C G C D C G C G  
She'll be rolling down at last

[Verse 3]

G D  
Hear the mighty engines roar  
C G  
See the silver wing on high  
Am  
She's away and westward bound  
C G  
Far above the clouds she'll fly  
Am  
Where the morning rain don't fall  
C G  
And the sun always shines  
D  
She'll be flying o'er my home  
C G C D C G C G  
In about three hours time

[Verse 4]

This old airport's got me down

It's no earthly good to me

And I'm stuck here on the ground

C G  
As cold and drunk as I can be

You can't jump a jet plane

C G  
Like you can a freight train

So I best be on my way

In the early morning rain
