

## Walls of Time (in D) (Ricky Skaggs)

*INTRO: 4 measures of D*

**D**  
The wind is blowing 'cross the mountains

**D** **G** **C**  
And out on the valley way below

**D**  
It sweeps the grave of my darling  
**G** **A7** **D** **A**  
When I die that's where I want to go

**D**  
Lord, send the angels for my darling  
**D** **G** **C**  
And take her to that home on high

**D**  
I'll wait my time out here on earth love  
**G** **A7** **D** **A**  
And come to you when I die

*INSTRUMENTAL over Chorus chords*

**D**  
Our names are carved upon the tombstone  
**D** **G** **C**  
I promised you before you died

**D**  
Our love will bloom forever, darling  
**G** **A7** **D** **A**  
When we rest side by side

**D**  
Lord, send the angels for my darling  
**D** **G** **C**  
And take her to that home on high  
**D**  
I'll wait my time out here on earth love  
**G** **A7** **D** **A**  
And come to you when I die

*INSTRUMENTAL over Chorus chords*

**D**  
I hear a voice out in the darkness  
**D** **G** **C**  
It moans and whispers through the pines  
**D**  
I know it's my sweet-heart a-callin'  
**G** **A7** **D** **A**  
I hear her through the walls of time

**D**  
Lord, send the angels for my darling  
**D** **G** **C**  
And take her to that home on high  
**D**  
I'll wait my time out here on earth love  
**G** **A7** **D** **A**  
And come to you when I die  
**D**  
I'll wait my time out here on earth love  
**G** **A7** **D** **A\*D\***  
And come to you when I die
