

# Y'ALL COME BACK SALOON

Oak Ridge  
Boys

G  
She played tambourine with a silver jingle

C G  
And she must have known the words to at least a million tunes

Em  
But the one most requested by the man she knew as **C**owboy

G Em D7 G  
Was the late night benediction at the y'all come back saloon

G  
In a voice soft and trembling she'd sing her song to **C**owboy

C G  
As a smokey halo circled round her raven hair

Em  
And all the fallen angels and pinball playing rounders

G Em D7 G  
Stopped the games that they'd been playing for the losers evening prayer

C G  
Faded love and faded memories

C G  
How they lin-ger in her mind

C  
Miles and years played the cowboy

G Em A7 D7  
Like and old melody out of tune and out of time

G  
Every night in the shadows thinking back on Amarillo

C G  
He'd dream of better days and ask for faded love

Em  
Lifting high his glass in honor of the lady and her song

G Em D7 G  
He paid his check then lonely walked that broken cowboy home
