Say You Love Me Chords by Fleetwood Mac

[Intro]
G

[Verse 1]
    G
Have mercy, Baby, on a poor girl like me,
          D   **G**
you know I'm falling, falling, falling at your feet
G
I'm tingling right from my head to my toes,
   D   **G**
so help me, help me, help me make the feeling go

[Chorus]
           Em   **C**   **G**
Cause when the loving starts and the lights go down,
   Em   **D**   **G**
and there's not another living soul around
   Em   **C**   **G**
You woo me until the sun comes up,
      Em D   **G**
and you say, that you love me

[Verse 2]
   G
Have pity baby, just when I thought it was over
           D   **G**
And now you've got me running, running, running for cover
G
I'm begging you for a little sympathy,
     D   **G**
if you use me again it'll be the end of me

[Chorus]
           Em   **C**   **G**
Cause when the loving starts and the lights go down,
   Em   **D**   **G**
and there's not another living soul around
   Em   **C**   **G**
You woo me until the sun comes up,
      Em D   **G**
and you say, that you love me

G
Baby Baby, hope you're gonna stay away,
              D   **G**
cause I'm getting weaker, weaker every day
G
   I guess I'm not as strong as I used to be,
                D   **G**
and if you use me again it will be the end of me

[Chorus]
                     Em   C   G
Cause when the loving starts and the lights go down,
      Em   D   G
and there's not another living soul around

You woo me until the sun comes up,
           Em D   G
and you say, that you love me

Em   D   G
there's not another living soul around

and you say, that you love me
