

Roll Another Number - Neil Young

 D G D
It's too dark to put the keys in my ignition
 D G A
and the morning sun is yet to climb my hood ornament
 D G D G
But before too long I might see those flashing red lights
 E7 G A D
look out mama cause I'm comin home tonight

(Chorus) D G D
I think I'll roll another number for the road
 D G A
I feel able to get under any load
 D G
though my feet aren't on the ground
 D G
I been standing on the sound
 E7 G D G
of some open hearted people going down

(Instrumental Verse Chords)

 D G D
 D G A
 D G D G
 E7 G A D

(Spoken)

 D G D
I'm not going back to Woodstock for a while
 D G A
though I long to hear that lonesome hippie smile
 D G D G
I'm a million miles away from that helicopter day
 E7 G A D
no I don't think I'll be going back that way

(Chorus)
