We're [C] gonna have a supper, we'll [C] eat some food that's [C7] rare

And [F] at the head of the [C] table I'll [D7] place brother Henry's [G7] chair

Invite [C] all the local [C7] big dogs, we'll [F] laugh and talk and [F#dim] eat,

but we'll [C] save the bones for [C7] Henry [Am7] Jones
'Cause [D7] Henry don't [G7] eat no [C] meat

[C] Today I'll go to the market, I'll [C] buy a whole lot of [C7] fish,

[F] That will thrill Brother [C] Henry 'Cause [D7] fish is his favourite [G7] dish

Get a [C] large can of mo-[C7]lasses,
So [F] we'll have something [F#dim] sweet to eat,
But we'll [C7] save the bones for [C7] Henry [Am7] Jones,
'Cause [D7] Henry don't [G7] eat no [C] meat.

[C] Well Henry is not a drinker, he [F] rarely takes a nip
[D7] He don't need a napkin, 'cause the [G7] things [NC] he eats don't drip ' blip!

[C] One day we had a banquet,it [C7] really was a bake.
They [F7] started off with [G7] short [Dm7] ribs,
then they [D7] finished off with [G7] steak.

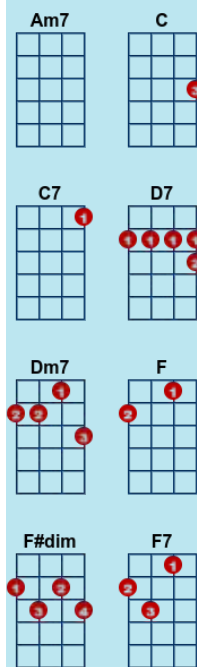

But [C7] when the feast was over,
brother [F] Henry just kept his [F7] seat,
and we [C7] served the bones to [C7] Henry [Am7] Jones,
'Cause [D7] Henry don't [G7] eat no [C] meat.

But [C7] when the feast was over, (whistled instrumental)
brother [F] Henry just kept his [F7] seat,
and we [C7] served the bones to [C7] Henry [Am7] Jones,
'Cause [D7] Henry don't [G7] eat no [C] meat.
